REFERENCES : a. Dispatch No. [redacted] dtd 13 Oct 54 fr
Senior War Planner, Europe, same subject.
b. Memo dtd 16 Nov 54 to C-PPC/DDP via DD/A
fr C/LO, same subject.

1. I am forwarding herewith the comments of the Chief, Logistics Office on the proposed wartime organizational structure in Europe. (Reference b.)

2. While I have not had the advantage of seeing the European setup as has the Chief, Logistics Office, I cannot at this time support his recommendation that the Logistics staff be made a major staff on the table of organization at the same level as the Operations, Plans, and Intelligence Division.

3. I would, therefore, recommend that at this time the Logistics staff be retained under the General Administration Division as is shown on the T/O in reference a.
